Advancing: Life

Who We Are

Our Mission

To enhance the lives of patients by empowering surgeons with high-quality, transformative innovations in orthopedics.

Our Vision

Advita Ortho will advance the path to mobility for patients as the industry's most trusted orthopedic surgeon partner.

Our Values

V

Vitality

We channel strength and endurance to keep ideas and people thriving.

I

Innovation

We pioneer new products, processes and solutions that make meaningful improvements.

T

Teamwork

We foster a culture of empowerment and collaboration that drives exceptional performance.

A

Accountability

We lead with integrity, deliver with consistency and embrace responsibility.

At Advita Ortho, we don't innovate for innovation's sake. We innovate to enhance human life. Our intelligent orthopedic solutions are designed to help people live healthier, more active lives — with the goal of allowing them to regain their mobility and their freedom. By utilizing new technologies in revolutionary ways, dreaming up game-changing solutions and empowering surgeons to achieve greater success, we are working to restore function and reignite possibility. **Because to us, orthopedics is about more than advancing technology. It's about advancing life itself.**

Advita Ortho is a global medical device company committed to advancing patients' lives through innovative orthopedic solutions. **We specialize in high-quality implants and a comprehensive suite of integrated surgical technologies that are powered by data, artificial intelligence and machine learning.** Offering trusted leadership and clinical expertise, Advita Ortho is uniquely positioned to advance mobility and improve lives worldwide.

Our broad and innovative product scope includes:

SHOULDER

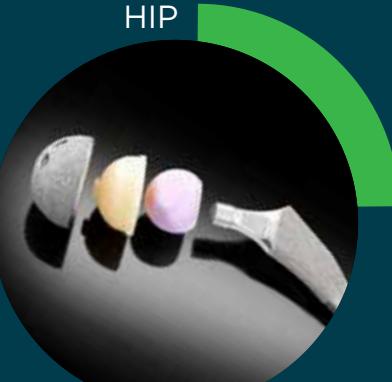

ANKLE

KNEE

HIP

Advita AI: Data-Powered Ecosystem of Smart Technologies

Advita Ortho's Active Intelligence empowers surgeons with innovative, cost-effective smart technologies that transform patient care.
